

Reference Letter

Mr. Daniel Pérez Álvarez, born on 05 January 1977, was employed at our company from 12 March 2019 until 27 February 2024. He held the position as Engineering Manager in the Technology department.

Qwist is a pioneer in the Open Banking and Finance sector, dedicated to enabling our customer base to drive business value based on data. As a market leader in the four key European markets of Germany, Austria, Spain, and Portugal, we proudly serve top-tier banks, leading e-commerce players, innovative FinTechs, and other digital businesses and empower them to unlock the value of their data.

Qwist is a regulated payment institution under the Payment Services Supervision Act (Zahlungsdiensteaufsichtsgesetz – ZAG) and offers seamless solutions for business expansion and risk mitigation through intelligent automation.

Qwist utilizes new data sources and goes beyond traditional PSD2 APIs and basic categorization, providing unparalleled connectivity and enrichment services that are adaptable to evolving regulations.

Built on 11 years of extensive experience in Europe's Open Banking landscape Qwist is committed to innovation, financial independence, and making complex topics simple. Driven by the belief in 'data for good,' Qwist advocates for a more open and inclusive, regulated data landscape, benefiting consumers and businesses alike.

Qwist employs 80+ people in 4 countries.

Mr. Pérez Álvarez's main achievements during his time at our company included but were not limited to the following:

- Engineers reported the most positive work environments and relationships during their tenure, citing effective morale management, constructive feedback, and freedom to excel while being kept informed and shielded from distractions.
- Employees hired under Mr. Pérez Álvarez supervision consistently advanced within the company, demonstrating growth across career levels and participation in ongoing training initiatives to remain up-to-date with industry trends.
- Mr. Pérez Álvarez contributed significantly to integrating MyValue's products into Qwist's ecosystem and facilitating communication with Spanish clients, while also overseeing the transformation of inherited software into a high-performing product.
- Active involvement in the hiring process, conducting interviews for multiple candidates over an extended period.
- Provided technical support during periods of team size reduction, delivering consistent contributions to coding, database management, and other technical tasks.

Mr. Pérez Álvarez impressed us with his significant expertise, which he also used confidently and

competently in his work. This enabled him to tackle his daily tasks and lead his team confidently and efficiently. Due to his exact analytical abilities and his quick comprehension Mr. Pérez Álvarez found suitable and solid solutions, which he consistently and successfully put into practice.

Mr. Pérez Álvarez accomplished his assignments with great dedication and personal commitment during his entire employment with our company. Even under great pressure, he kept his grasp on the situation, acted thoughtfully and accomplished all tasks well. In all situations Mr. Pérez Álvarez demonstrated a responsible, result oriented and diligent approach.

His working methods were always marked by trustworthiness and consistent reliability. Even for the most difficult challenges Mr. Pérez Álvarez found and implemented very effective solutions and always achieved good results; completing tasks assigned to him to our full satisfaction.

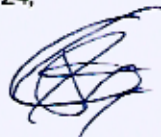

His behaviour towards superiors and colleagues was always exemplary, friendly and focused on good cooperation. Mr. Pérez Álvarez was highly appreciated and recognized by all due to his friendly manner as well as his extensive professional knowledge.

As a manager Mr. Pérez Álvarez continually demonstrated his great integration abilities. He included the members of his team in the decision-making process according to their personalities and competence, thereby creating an outstanding working atmosphere in his team.

Unfortunately, Mr. Pérez Álvarez is leaving our company today by his own choice to accept a new challenge.

We thank Mr. Pérez Álvarez for his contribution to the company and wish him all the best for future challenges.

Berlin, 27 February 2024,

Carlos Gomez

Managing Director Qwist Iberia SL

Dennis Lutter

VP of Engineering
